BEVOLA MARKETING

Toolboxes by Bevola

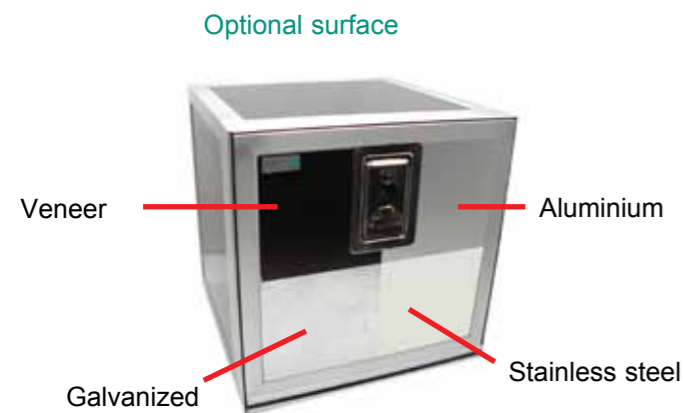

- Can be ordered in any size

MULTIBOX

- a box to fit any need

MULTIBOX is a concept for boxes without limits on the size, content and functionality. The boxes are performed in birch veneer or sandwich plate. The design can be adapted to any building with different types of coating plate as stainless steel, aluminum or galvanized.

Heating element mounted easily in all boxes

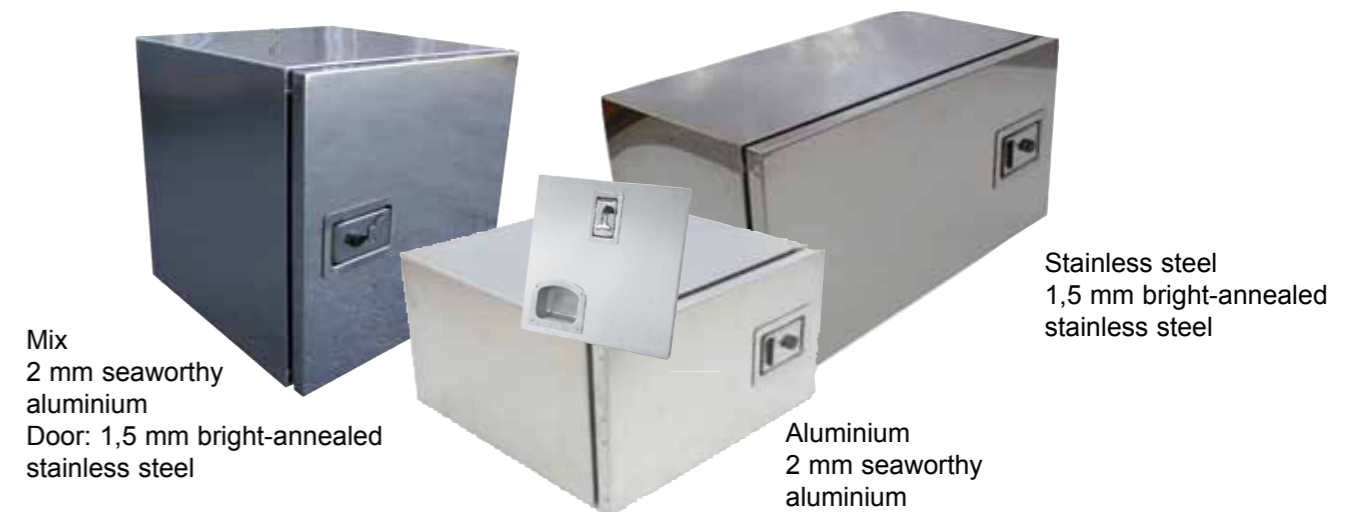

24V 90W 400x270x37

Flex shelf and flex drawer fits all existing bowes. Easy mounting.

BEVOBOX

The difference is in the detail

Bevobox is optimized at all points, and is now a better product than before. We have managed to lower the cost and increase quality at the same time.
